

Switch over to an Everlast aluminium roof.
Discover durability and good looks for your home.

*NOTHING LASTS
AS LONG AS EVERLAST*

Over the years, aluminium has fast emerged as the substitute for conventional roofing materials for home and industry. Everlast Aluminium Roofing Sheets from Hindalco Industries Limited, a flagship company of the Aditya Birla Group, is the leader when it comes to aluminium roofing solutions in India. In addition to Hindalco's commitment to world-class quality, you can enjoy infinite benefits when you switch over to Everlast Aluminium Roofing Sheets.

Read on to know how Everlast Aluminium Roofing Sheet scores over other conventional roofing materials.

Lasts Longer

When you choose Everlast Aluminium Roofing Sheets, you ensure protection that lasts for over 60 years. Being corrosion-resistant (when used with aluminium alloy accessories), these sheets withstand the harshest of climates for generations.

Zero Maintenance

With Everlast Aluminium Roofing Sheets, maintenance worries become a thing of the past. The anti-corrosive property of these sheets prevents damage in the monsoons or any other climate.

Light in Weight

Everlast Aluminium Roofing Sheets are light in weight but strong enough to outlast weather for years. They are easy to handle, install, and require lighter supporting structure.

100% Rust-Proof

Everlast Aluminium Roofing Sheets are corrosion-resistant and eliminate leakage problems during the monsoons and provide the ideal roofing solution in even highly corrosive environments.

Looks Good Forever

Everlast Aluminium Roofing Sheet boasts of an everlasting

surface shine due to its anti-corrosive property. When you install an Everlast roof on a structure, you get the winning combination of beautiful looks and years of peaceful protection.

Better Protection from Heat

Everlast Aluminium Roofing Sheets prove to be the ideal roofing when it comes to protection against hot temperature. These sheets keep your house 5-6 degrees cooler in the summer than any other roofing material due to an excellent thermal insulation property.

High Resale Value

You can depend on Everlast Aluminium Roofing Sheets to benefit you even after years of usage. With no visible wear & tear, you can recover up to 60% of its cost.

Available in a Variety of Colours and Finishes

Everlast Aluminium Roofing Sheets can meet diverse roofing needs. You can choose your roof from a variety of finishes, colours and textures that add to the beauty of your home.
